Event Report

Form A

1	Title	The Fifth Space – ICD Workshop Passing of the scalpel- The Handing over ceremony
2	Date	06.01.26
3	Objective	Teach Undergraduates intercostal drainage tube insertion Handing over of the surgery club to the new council
4	Target Group	Undergraduates-Members of Blades and Beyond
5	Location of the Event	Lecture hall 2- Yenepoya Medical College
6	Organizing Department / College	Blades and Beyond – Student Led Surgery Club
7	Organizing Committee Members	Ayesha Rida, Somya Saxena, Ishan Ginodia, Smera Rajesh and council of Blades and Beyond
8	Resource Persons with Affiliation	Dr. Channa V Kesava Rao Senior Resident Department of General surgery
9	External Organizations / Persons involved	None

10	Aligned Sustainable Development Goals	SDG 3 – Good Health and Well-Being ICD tube insertion is a life-saving procedure used in the management of conditions such as pneumothorax, hemothorax, pleural effusion, and thoracic trauma. Training undergraduate medical students in this procedure contributes to improving patient outcomes, reducing morbidity and mortality, and strengthening emergency and surgical healthcare services. SDG 4 – Quality Education Hands-on training and skill-based medical education enhance the competency of future healthcare professionals. Teaching ICD tube insertion using mannequins and supervised instruction promotes high-quality medical education, capacity building, and lifelong learning among undergraduate students.
11	Alignment with any National or International Initiatives	None

YENEPOYA

12	Brief Report of the Event The event comprised two major components: the formal handing-over ceremony of the Surgery Club Blades and Beyond and a hands-on academic training session on intercostal chest drain (ICD) tube insertion. The handing-over ceremony, titled "Passing the Scalpel", was conducted over a duration of 45 minutes. During the ceremony, the outgoing council of Blades and Beyond was formally dissolved, and responsibilities were transferred to the newly elected council. The founding President, Dr. Hrishab Hegde, officially handed over the leadership of the club to Ms. Ayesha Rida, the incoming President. The ceremony was attended by esteemed faculty members and dignitaries of Yenepoya Medical College, marking a smooth and dignified transition of leadership. Following this, a 90-minute hands-on training session on intercostal chest drain tube insertion was conducted under the theme "The Fifth Space". Undergraduate students were trained using mannequins with appropriate equipment and instruments. The session included a comprehensive discussion on indications, contraindications, procedural steps, and potential complications associated with ICD tube insertion. The training aimed to enhance both theoretical understanding and practical skills among participants. The session was attended by a total of 75 undergraduate MBBS students from the 2021, , 2023 and 2024 batches of Yenepoya Medical College and was conducted in an interactive and academically enriching manner.
13	Outcome of the event
	Gain in knowledge/skills acquired- (for training programs)- theoretical and hands on experience for ICD tube insertion
	Pre-test average: Test not conducted Post-test average: Test not conducted Knowledge/Skill Gain: Practical competence in intercostal chest drain (ICD) insertion
